Call for Papers: 2012 IEEE IEEM conference

2012 IEEE International Conference on Industrial Engineering and Engineering Management

Hong Kong, 10-13 December 2012

www.ieem.org

The IEEE International Conference on Industrial Engineering and Engineering Management (IEEM) aims to provide a forum to disseminate, to all branches of industries, information on the most recent and relevant research, theories and practices in IEEM. This conference has been hosted by leading universities in Asia and has grown over the years in tandem with the rising importance of industrial engineering and applications.

Following the success of our earlier IEEM conferences that attracted around 500 participants from over 50 countries each time, 2012 IEEE IEEM will be held in Hong Kong in 10-13 Dec. The conference will link researchers and practitioners from different branches of industrial engineering and engineering management from around the world. Built on the experience of the earlier conferences, IEEM will be a conference of very high standard. Please consider submitting a paper to 2012 IEEE IEEM.

IEEM 2012 invites papers on (but not limited to) the following topics:

Decision Analysis and Methods
E-Business and E-Commerce
Engineering Economy and Cost Analysis
Engineering Education and Training
Global Manufacturing and Management
Human Factors
Information Processing and Engineering
Intelligent Systems
Manufacturing Systems
Operations Research
Production Planning and Control
Project Management
Quality Control and Management
Reliability and Maintenance Engineering
Safety, Security and Risk Management
Service Innovation and Management
Supply Chain Management
Systems Modeling and Simulation
Technology and Knowledge Management

Important dates

Full paper submission:	1 June 2012
Notification of acceptance:	1 August 2012
Final camera-ready paper due:	1 September 2012
