

IEEE International Conference on Industrial Engineering and Engineering Management (IEEM²⁰²⁶) Anniversary

Marina Bay Sands Singapore

FULL PAPER DEADLINE EXTENDED

Submit by 10 July 2026

Submission portal will close on 11 July 2026 at 11:55 PM Singapore Time (GMT+8).

To accommodate the strong interest received from the international research community, the **Full Paper Submission Deadline for IEEM2026 has been extended to Friday, 10 July 2026.**

This is the **final extension**, and the online submission system will **close on Saturday, 11 July 2026.** No further extensions are expected.

If you are preparing a submission, this additional time provides one final opportunity to complete and submit your paper for consideration.

Why Submit to IEEM2026?

Join the **20th Anniversary Edition** of the IEEE International Conference on Industrial Engineering and Engineering Management (IEEM2026), to be held in **Singapore, 2–5 December 2026**, at **Marina Bay Sands**.

IEEM2026 will bring together researchers, academics, industry professionals and practitioners from around the world to exchange the latest developments and innovations in industrial engineering and engineering management.

Accepted full papers will be included in the conference proceedings and submitted for publication in **IEEE Xplore®**, subject to IEEE publication requirements.

Submission Deadlines

- **Full Paper Submission**
Extended Deadline: 10 July 2026
- **Abstract Only Submission**
Deadline: 1 August 2026

Conference Topics Include

- Big Data & Analytics
- Intelligent Systems
- Technology Management
- Supply Chain Management
- Sustainability & Risk Management
- Operations Research
- [And many more](#)

Why Participate?

- Present your latest research at a leading international conference.
- Exchange ideas with researchers and industry experts from around the world.
- Publish your work through the IEEE conference proceedings.
- Celebrate the **20th Anniversary of IEEM** with the global industrial engineering and engineering management community.

Submit Your Paper Today

Take advantage of this final opportunity to submit your work before the extended deadline.

Full Paper Deadline: 10 July 2026 • Submission System Closes: 11 July 2026
