

IEEE International Conference on Industrial Engineering and Engineering Management (IEEM²⁰²⁶) Anniversary

Marina Bay Sands Singapore

1 OCTOBER IS THE DATE

REGISTER EARLY AND SECURE YOUR PRESENTATION

Abstract-only submissions close 30 September

2–5 December 2026 • Marina Bay Sands, Singapore • 20th Anniversary Edition

30 SEP

Abstract deadline

1 OCT

Early bird + author deadline

10 OCT

Final paper + IEEE Xplore

Register by 1 October

The cut-off is 11:55 PM Singapore Time (GMT+8). Register and pay by the deadline to receive the early bird rate.

- **Authors:** At least one author or co-author for every accepted submission must complete registration and full payment by 1 October.
- **Important:** A presentation without the required paid registration will be treated as withdrawn and removed from the program.

Full-paper authors covered by a paid registration by 1 October may complete final-paper and IEEE Xplore requirements by 10 October.

Keynote Announced

AI Research and Innovation

Dr Sudeendra Thirtha Koushik

Thursday, 3 December

Explore how AI is reshaping research, innovation and intellectual-property management — and the mindset and skills needed to respond constructively.

Know Before You Register

- **Cancellation:** Fees paid are non-refundable.
- **Substitution:** A replacement may attend at no additional cost if the Secretariat is notified at least two weeks in advance and full payment has been received.

- **Reinstatement:** Later payment does not automatically restore a withdrawn presentation. Written confirmation from the Secretariat is required and any new allocation is subject to remaining capacity.

Wait for written reinstatement confirmation before making travel arrangements.
